

Flu Radio PSA

For older adults, getting the flu can be serious and even deadly. That's why it's important that all older adults get a flu shot during flu season. Medicare pays for the shot. It's safe and it works. Talk to your healthcare provider about getting a flu shot. Protect yourself. Protect your family. Prevent the flu.

For a list of flu shot locations, visit s-c-dhec-dot-gov-slash-flu. Talk to your healthcare provider about getting a flu shot today. A message from DHEC, The Carolinas Center for Medical Excellence, and The South Carolina Coalition for Older Adult Immunizations.
